

Hi to all Guests,

I am sending this newsletter to update you on four recent developments at the Stone Store Lodge and the surrounding areas. These developments enhance even more the already wonderful experience guests enjoy when visiting here.

Pizza evenings are now very popular at Stone Store Lodge.

Along with The Landing restaurant, we now have Wharepuke Food, Thai and European Cuisine, within walking distance of the Lodge

Now you can sit in the bush and experience a bath in true Kiwi style.

In August 2008 the bridge below me was taken down. Now we can hear the water over the rocks rather than the cars going up and down the road.

Cheers,
Richard
